27. No member shall use, imply, or assume, in respect of the practice of optometry, any description other than the word "optometrist": Provided that the Board may by resolution approve of the reference by a member to the fact that he is the holder of a degree granted by a school or college or a title conferred by a learned society.

A complaint that any member has been guilty of any violation of the Act or regulations, or of incompetence, misconduct, or unprofessional conduct, may be made in writing and filed with the secretary, together with a statutory declaration verifying the complaint with reasonable detail and setting forth the time and place of the act complained of.

33. The secretary shall forward promptly a copy of the complaint and a copy of the statutory declaration verifying the same to every member of the Board, and shall take such steps to investigate the complaint as the Board may direct.
